

DESIGN FEATURES

- Successfully tested to comply with Australian standard AS 2047
- This window type will couple to all of the cedar range vertically. Glass is sealed from both sides to prevent leakage.
- Fixed light sashes can match opening sashes for clean, flush surfaces and continuous sightlines.
- Awning type sashes can be fitted with heavy duty chain winders or truth hardware.
- Casement type sashes are fitted with truth hardware.
- Truth hardware can be selected in a black, off white or satin chrome colour.
- Wide top & bottom rails give the window a bold appearance.
- All chain winders are supplied with a keyed deadlock and stainless steel chain.
- 168mm sill available.

700/150Pa Wind/Water Rating with Chain Winder
