Cedar Awning/Casement Window

Product Features:

- Fixed light sashes can match opening sashes for clean, flush surfaces and continuous sightlines.
- Awning type sashes can be fitted with heavy duty chain winders or truth hardware.
- Casement sashes are fitted with truth hardware.
- Truth hardware can be selected in black, white or satin chrome colour.
- Wide top and bottom rails give the window a bold appearance.
- All chain winders are supplied with a keyed deadlock and stainless-steel chain.
