

### KEY FEATURES

- With a sleek, comfortable grip common to all MIRO™ hardware, the lever door lock is available in several locking options, including keyed both sides or with interior snib.
- Used in conjunction with lever compression locking, an upward handle movement activates four-point locking.
- Compliant with AS2047, AS1428: 2009 Section 13.5 (Disability Access) and Liveable Housing Guidelines.
- Textured matt finish with AWS' Enduratec™ technology has been tested to last 10 times longer than traditional powder coat finishes in independent, neutral salt bath testing.
- Available in black, white and silver.

#### FINISHING

MIRO™ hinged lock is available in matt finish with AWS' Enduratec™ technology for exceptional corrosion resistance in harsh environments.

#### DUMMY LOCK

The dummy lock can be operated from inside, the handle retracts the shoot bolts top and bottom.

#### MATCHING HARDWARE

For bi-fold doors we have a matching MIRO™ bi-fold operator.

#### ACCESSIBILITY COMPLIANT

Designed specifically to meet compliance with Disability Access and Liveable Housing Guidelines in accordance with AS1428:2009 Section 13.5.
